MINNESOTA BULLETIN NO. 260-5-20

SUBJECT: INF – DIGITAL CAMERA TEAM TRAINING

Purpose. To provide training information.

Expiration Date. September 30, 2005.

Over the last several months the MN NRCS Digital Camera Team, which includes employees from throughout Minnesota, have been spending time putting together information for Digital Camera Training. These employees have worked tirelessly to provide information which is user-friendly and certainly useful for our work that we do on a daily basis with NRCS.

CDs filled with information on various products the Digital Camera Team put together will be sent to each of the digital camera team members. These employees can now provide training, as requested, to NRCS employees.

The following individuals have served on the Digital Camera Team and will serve as trainers of the digital photo training roll-out:

Area 1 - Dan Thorstad	Area 2 – Nancy Alexander and Karin Nordling
Area 3 - Ben Ellefson;	Area 4 - Peter Weikle;
Area 5 - Cal Dunblazier;	Area 6 - Douglas Miller
Area 7 - Karen Buckley-Washington	State Office - Julie MacSwain, and Susan Ploetz.

Training is important to all NRCS employees in Minnesota. If you have a need for digital camera training, please make sure you request the training in ICAMS/HRIS, and let your supervisor know of your training need.

WILLIAM HUNT  
State Conservationist
